CODE FOR GYPSY TRAVELLERS IN ANGUS

Your stay on land in Angus will depend on your consideration for the environment and others in the area.

PLEASE DO

- keep groups small, up to three caravans will normally be acceptable. Slightly larger groups may be OK away from built-up areas.
- space yourselves out; park away from other groups.
- Phone the access line to ask for bin bags for your rubbish. Only rubbish in these bags will be collected.
- look after the land on which you park, and think about nearby residents.

- prevent disease by getting rid of animal and human waste hygienically.
- park vehicles safely and keep all animals under control.

PLEASE DON'T

- park on land being used for another purpose.
- dump or burn rubbish.
