

COMMUNITY COUNCIL ELECTIONS 2010

PERSONAL STATEMENT BY CANDIDATE

Name: Daniel Paton

Community Council Area: Ferryden and Craig

Personal Statement:

I was born, brought up and educated in Ferryden and when I retired I came back to live in the house I was born in. I have therefore a close association with and affection for the village and the surrounding area.

I am interested in the history and heritage of the area and its preservation and have been involved in projects by the last Community Council e.g. the installation of information boards about the village on the Lighthouse Road.

If elected I would try to protect the heritage and environment of Ferryden & Craig and represent the concerns of the people who live there.
