

## COMMUNITY COUNCIL ELECTIONS 2010

### PERSONAL STATEMENT BY CANDIDATE

**Name:** Linda Cockram

**Community Council Area:** Auchterhouse

**Personal Statement:**

I am currently serving on Auchterhouse Community Council and would like to stand for re-election.

As well as participating in the general business of the Community Council, I am also the Council's planning contact, checking all the planning applications for the Auchterhouse area and responding for the Community Council on behalf of the community.

I have lived in Auchterhouse since 1993 and became a member of the Community Council after I retired from a post in the NHS. I joined the Community Council because I think it serves a crucial and valuable function in providing a focal point for gathering about events and developments which might impact on the community, representing the local community's view to Angus Council and to other bodies, and achieving pro-activity in the interests of the Auchterhouse Community.
