Personal Statement:

I am married with a son. My husband and I are both retired since 2009. During the last 17 years of my working life I worked in the community and often found people asking my advice about who could help with different problems many I informed to contact the Council. But some such as bus times etc needed help from Community Council. This was when I decided to join the Community Council which was about 1993. I became treasurer in October 1997.
