Dear Mr Pyper

**ANGUS COUNCIL LOCAL PLAN REVIEW
OBJECTIONS TO POST INQUIRY MODIFICATIONS
SECOND PUBLIC LOCAL INQUIRY**

I refer to the minute of appointment dated 12 December 2007, and confirm that from 22 April to 1 May 2008 I held a series of public hearings into objections lodged but not withdrawn in respect of the above local plan review.

I now enclose my report containing the recommendations arising from that second inquiry. In preparing the report, I took into account:

- the written submissions;
- the statements of case;
- all of the documents lodged;
- my unaccompanied and accompanied site inspections; and
- the discussion at the hearing.

I assume that, as usual, the council will keep all of this material for reference purposes.

I would like to thank all of your staff for their helpfulness and courtesy. But please pass on my particular appreciation to the Programme Officer, Ms Kirsty Dear, for the efficient and pleasant manner in which she organised the whole inquiry, including the various hearing sessions. I am also indebted to her for compiling most of the objection templates and the report appendices.

Yours sincerely

Mrs Jill Moody
