The connecting journeys are shown in the timetable in *italics*. Connecting buses will wait up to five minutes beyond their advertised departure time for late running services. After this time, connections are not guaranteed.

Passengers making a journey which involves a change of bus at Friockheim can purchase a through single ticket from the driver of the first bus they use, thereby avoiding the need to buy another ticket on boarding the second vehicle.

In addition to this, the summary timetable of journeys between Arbroath and Stracathro Hospital also shows connecting journeys at either Friockheim or Montrose and are highlighted in *italics*. However, these have been coded for each journey to show the operator and service number of connections. Please note however that through tickets are not available for all connections in the summary timetable and not all connections are guaranteed.
