Dear Sir,

**THE ANGUS COUNCIL (LAND AT 2 DUNDEE ROAD AND ADJACENT
TO 7 BLAIRS ROAD, LETHAM) TREE PRESERVATION ORDER 2019
NO 1.**

I refer to your letter (reference 0611 PG) of 18th February 2019 in connection with the above and wish to record my support for the Tree Preservation Order. The trees mark the historic boundaries of the property and are an attractive feature of the garden and streetscape. I am pleased that Angus Council has recognised that they are worthy of preservation.

Yours faithfully,

Alan Russell (by email)

Hi Paula,

Hope you are well. As per our telephone conversation this week regarding the Tree Preservation order for my Land at 7 Blairs Road, Letham, may I bring to your attention a copy of the Landowner consent form issued by SSE to remove the trees in question and also a copy of the drawing issued from the Planning department when planning was granted showing that the trees were to be removed.

Don't worry, the trees shall not be removed in the meantime but I shall forward the TPO paperwork to my Architect and shall be in touch if I have any further questions. I

Kind Regards

Alan Florence
