There was submitted Report No 437/14 by the Head of Legal and Democratic Services, detailing an application for a review of the decision taken by the Planning Authority in respect of the refusal of planning permission for the erection of a wind turbine at Field 1500M South East of Ingliston Farm, Eassie.

The Committee gave careful consideration to the papers submitted by the appointed person and by the applicant and determined that they had sufficient information to consider the review but that an unaccompanied site visit should take place.

The Committee agreed that a site visit be held in due course and that the Committee reconvene after the site visit to discuss the application further.
