Dear [Redacted]

**Roads (Scotland) Act 1984
Application for New Road at Gardyne Street, Frackheim for Guild Homes (Tayside) Ltd – Phase 1**

I refer to the above, your letter of objection dated, 13 September 2015, and my letter to you dated, 28 September 2015.

The technical aspects of the application have now been assessed, site measurements checked and amendments made to the application drawings in order to meet the Council's road standards.

Please find enclosed a copy of the revised plan detailing the proposals.

The Council's Standards Orders and Scheme of Delegation to Officers require that an application for Construction Consent which is subject to objection must be presented to the Communities Committee for a decision on whether or not to grant consent.

Please confirm to me whether or not you wish to maintain your objection or are willing to withdraw it. If I do not receive a response with clear technical reasons for any objections by 13 November 2015, I shall assume that you wish to withdraw your objection and I may proceed to grant consent.

If you have any queries, please contact Colin White on (01307) 473279.

Yours sincerely
