CHILDREN AND LEARNING COMMITTEE

23 SEPTEMBER 2014

AMENDMENT TO IN-SERVICE DAY FOR TIMMERGREENS PRIMARY SCHOOL, ARBROATH

Background

Timmergreens Primary School is to receive a new build school with works commencing on the existing Timmergreens School site.

In order to begin the construction phase of the new facilities at Timmergreens Primary School and ensure the health and safety of all pupils and staff, it has been agreed that they will be required to decant to alternative accommodation for the duration of the build.

The off-site accommodation agreed as being suitable to host the pre-school and primary pupils and staff of Timmergreens Primary is located within Muirfield Primary School.

Staff will be required to pack all resources from the Timmergreens site and set up new learning spaces within Muirfield Primary School. They will need dedicated time to achieve this.

The intention is to change an In-Service day for Timmergreens Primary School staff, originally scheduled for 27 November 2014, to the first day of term following the October break - Monday 20 October.

This has been agreed on the understanding that all staff will be expected to report for duty and to oversee the coordination of the relocation of resources and equipment.
