CHILDREN AND LEARNING COMMITTEE – 8 NOVEMBER 2016

ANGUS CHILDREN AND LEARNING FESTIVAL NOVEMBER 28 and 29 2016

1.0 BACKGROUND

- 1.1 An Angus Children and Learning Festival is will be held on the 28th and 29th November 2016. It will be held at Brechin Community Campus and aims to showcase the great work and emerging practice going on across Angus to support the achievement of our children and young people. The Festival is targeted at anyone working with children in Angus and some aspects of the programme will also be open to parents.

2.0 FESTIVAL FORMAT

The Festival programme includes different components. Participants can choose from a selection of keynotes, workshops and creative conversations. The Festival programme will be available at the end of October in order that participants can begin planning which elements of the Festival they would like to attend. A Festival marketplace will also provide a more informal way for Festival participants to learn about a range of services and practice. Angus Council is delighted to welcome a range of partners to provide individual elements of the programme. This reflects the range of effective partnership working that happens in Angus to get it right for our children and young people.

3.0 FESTIVAL COMMUNICATION

The Festival programme will be shared with parent councils, schools, team leaders and managers. A presence on social media using the hashtag #ACLF16 will also be used to promote aspects of the Festival.
