

Appendix 1 – Process of Applications

Applicant contacts Angus Council Funding Team with funding requirement & local funds are identified as the most

Eligibility & previous monitoring is checked based on existing process and applicant is signposted to Crowdfunder for campaign support. Applicant is also supported by Angus Council Funding Team

Campaign goes live and once the campaign has reached the match funding level a notification is sent to Angus Council Funding Team to unlock the Council contribution

Crowdfunder add the funding to the portal and at the end of the campaign the applicant is sent the funding. Crowdfunder will also send on our monitoring paperwork at this point

We will report any awards made in the Information report to P&R Committee and provide a bi-annual report reviewing the progress and identifying any areas of continuous improvement.
