**BACKGROUND**

Financial Regulation 16.8.2 provides that "It is the responsibility of all Chief Officers to ensure that all delegated contract award decisions so made are subsequently reported to the appropriate Committee at least every six months." This report details the contracts awarded by the Strategic Director of People under her delegated powers for the period 1 November 2014 to 30 April 2015.

**CONTRACTS AWARDED**

All the contracts were awarded to meet the requirements of children and young people who were new to the area with the exception of Contract A/28 which was put on to meet the needs of children and young people following a road safety assessment which had deemed their walking route to be unsafe.

Details of these contracts are shown in Appendix 1 attached. The contracts have an annual value of £41,925, which will be contained within the Schools and Learning budget.
