**POLICY AND RESOURCES COMMITTEE – 17 MARCH 2015**

**INFORMATION REPORT FOR THE PERIOD JUNE TO DECEMBER 2014**

**JOINT REPORT BY IAN LORIMER, HEAD OF CORPORATE IMPROVEMENT & FINANCE &  
ALAN McKEOWN STRATEGIC DIRECTOR COMMUNITIES**

**ABSTRACT**

This report provides information to members with regard to services in the Resources Directorate, albeit that a decision is not required in terms of the current Scheme of Delegation to Officers and the Order of Reference of Committees.

**1. BACKGROUND**

Angus Council, at a special meeting on 19 November 2013 took a number of decisions which changed the way the Council conducted its committee business. Fundamental to this was the streamlining of processes with a focus on key strategy and policy matters.

One element of this was the production of “Information Reports”. These information reports summarise information that would in the past have gone to a council committee for “noting”.

The information schedules are in accordance with that principle.

**2. SIGNIFICANT INFORMATION - SCHEDULES**

There are 3 schedules which contain key background information related to services delivered in the Resources directorate for the period June to December 2014. These are accessed via the Council's internet page. A copy has also been placed in the Information Hub.

Where there are references to other documents (eg: consultation documents/audit reports) that are associated with the relevant schedule a link to that document has also been included.
