These proposals seek conversion of the hospital administration building to 24 flats, new build and conversion to residential (circa 200 dwellings), provision of community use and crèche, associated access, landscape and infrastructure works. 11/00171 & 00242 to 00244	Properties adjacent to the Lunan Water Old Mill Place Friockheim	03.4.2012	Decking and structures constructed on the river bank without the benefit of planning permission or prior written approval.	Planning Application 04/01358/FUL for the erection of 14 dwellinghouses was approved on 8 July 2005. Condition 16 stated that no enlargements or improvements normally permitted under Class 1, 3 or 4 of the Town & Country Planning (General Permitted Development) (Scotland) Order 1992 (The Order) be constructed without the written approval of the planning authority.	Reports 414/12, 83/13 and 594/13 have previously been considered by Committee. No further planning enforcement action is to be taken with regards to these cases. All enforcement cases have therefore been closed. Building Standards have investigated with regards to the requirement for building warrant approval and to date completion certificates have been issued for two of the properties. A third property owner has undertaken works removing the requirement for a Building Warrant. The remaining property owner has submitted a completion certificate and an engineer's report has now been submitted which requires minor works to be undertaken to allow the completion certificate to be accepted. It is understood that this involves the strengthening of a handrail. The Committee will be provided with a further update on this matter in due course.
12/00155	Site Due East of The Knowe Kinnaber Road Hillside	19.02.2013	Unauthorised use of site for siting of caravans.	A letter was sent out to the site owner on 10 April 2014 requiring the caravans to be removed from the site with 7 days. This request was ignored and a Fixed Penalty Notice was issued by Sheriff Officers on 24 April 2014.	The Fixed Penalty Notice was required to be paid in full by 23 May 2014. No payment has been received and the caravans remain on the site. The matter has been reported to the Procurator Fiscal and Committee will be updated on progress in due course.

Committee has allowed a period of 6-months for this matter to be resolved. This date expires on 20 September 2014. The site was visited on 25 August 2014 and it was noted that an area of the paddock has now been cleared and other works are ongoing to the remainder of the area. The owner is aware of the works required and the date for completion of these works. The applicant's agent has indicated that the timber will be removed by 20 September 2014. 13/00015	Lochlands Leisure Park Dundee Road Forfar	18.02.2014	Allegation that the site is not being used as 'Holiday use' and that permanent residential accommodation of caravans may be taking place.	The Planning Contravention Notices which were served were all returned by the due date required and Report 218/14 provided to Committee on 13 May 2014 gave an update on this case.	In order to assist this investigation, and further to a Planning Contravention Notice (PCN) already served, the site owner was requested to provide additional information to allow further PCNs to be issued on every person(s) who owns a caravan/lodge at this site. This information was not provided. Therefore a second PCN was served on the owner of the site to obtain more detailed information regarding the caravans on the site. The PCN Response Form has now been completed and returned and it is proposed to serve PCNs on the individual caravan/lodge owners in order to gather information about suspected use of caravans as permanent residential accommodation.
