In 2014 Scotland Welcomes the World

19 August 2014

Dear Ian

I would like to take this opportunity to extend my personal thanks to you and your organisation for the contribution you made in delivering an outstanding Commonwealth Games and in supporting its continued legacy.

Your hard work and thorough planning ensured that the many visitors who enjoyed the Games at Barry Buddon received a warm and safe welcome, and that Angus and Scotland were shown in the best possible light.

I am delighted with the success that we have had, and deeply appreciate all of your efforts to make the Glasgow 2014 Commonwealth Games such a universally acclaimed success. The Games demonstrated how much we can achieve together and has given us all something of which we can rightly be proud.

Congratulations on this incredible achievement.

*Best wishes,
Shona*
