| 08/00007 | Strathmartine Hospital | 08.01.2008 | Deterioration in condition of listed building. | <p>The most recently fire-damaged building as well as the boiler house and the link buildings adjoining the main listed building have been demolished for safety reasons. The ground floor openings to the listed building, exposed by the demolition of the link buildings, have been built up with concrete blockwork.</p> <p>Council resolved to approve application 13/00268/EIAM (for the redevelopment of the hospital) at its meetings of 18 December 2014 and 12 February 2015. The application was subsequently called-in for determination by Scottish Ministers and on 17 September 2015 they issued a notification of intention to approve the application subject to conclusion of a Planning Obligation (Report No 395/15 refers). Ministers agreed to extend the period for concluding the Section 75 Planning Obligation for application 13/00268/EIAM until the end of September 2016.</p> | <p>The Planning Obligation has not been concluded within the period allowed by Scottish Minister. It is understood that discussion is ongoing between the owner and NHS Tayside regarding the terms of a clawback – which was agreed at the time of the owners purchase from NHS Tayside and requires further financial payments to the former owner where triggers are met. Resolution of this matter between those parties is required in order to conclude the Section 75. The applicants have requested a further extension of time to allow conclusion of negotiations with NHS Tayside. That request is currently being considered by Scottish Ministers. Building Standards continue to regularly visit the site to ensure the buildings remain boarded/ blocked up.</p> |

| 14/00176 | Kohe Noor 20 - 22 St David Street Brechin DD9 6EQ | 02.08.2016 | <p>The erection of an illuminated white shop front fascia with individual red lettering on the principal elevation of a Category C Listed Building within Conservation Area without benefit of Listed Building Consent or Advertisement Consent.</p> <p>The painting white of mortar between stonework of the principal elevation of a Category C Listed Building without the benefit of Planning Permission.</p> | <p>Retrospective applications for Listed Building Consent and Advertisement Consent seeking to regularise the works were refused on the grounds that the works had an adverse impact on the special interest of the listed building, contrary to Policy ER15 of the Angus Local Plan Review 2009. Listed Building Enforcement Notices were served on the owners/interested parties requiring the removal of the illuminated fascia and making good the wall where it was sited. The notices also required the removal of the mortar at the principal elevation and reinstatement with an acceptable lime mortar. The duration of these notices has now passed without the specified works being undertaken to resolve the breaches of planning control to the listed building and the parties are in breach of the notices.</p> | <p>A report relating to the offence created through the non-compliance with the Listed Building Enforcement Notices was submitted to the Procurator Fiscal on 27 September 2016. No response has been received from the Fiscal Service following receipt of report. The site operator was contacted regarding their intentions in relation to the matter but declined to comment.</p> |
