**Comments Received**

**COMMUNITIES, ENVIRONMENTAL & CONSUMER PROTECTION** submitted a Memorandum of Observation dated 19 August 2015.

The application is for various changes to opening hours, amending activities and provision of outdoor drinking facilities. It is noted from a site visit that there are residential properties close to the site; in order to minimise any noise nuisance being caused by this facility I would respectfully ask that consideration be given to attaching the following conditions:-

- Patrons shall not be permitted to use the external drinking area beyond 21:00.
- No music or amplified sound shall be provided anywhere within the licensed premises with the intention of being heard within the external drinking area.
