

ANGUS COUNCIL

DEVELOPMENT STANDARDS COMMITTEE – 06 MARCH 2018

ENFORCEMENT UPDATE

REPORT BY HEAD OF HOUSING, REGULATORY AND PROTECTIVE SERVICES

Abstract:

This report is an update on progress of Enforcement Cases which are of interest to the Development Standards Committee.

1. RECOMMENDATION

It is recommended that the Committee note the contents of this report.

2. BACKGROUND

An update is provided for each meeting of the Committee on enforcement cases where a temporary stop notice, stop notice, or enforcement notice has been served, or where the matter gives rise to potentially significant issues of wider interest. The table format of the current caseload is attached overleaf.

3. DISCUSSION

In the period from 01 February to 23 February 2018, 18 new enforcement cases were recorded and 14 cases have been closed. There are currently 199 cases that are subject of ongoing investigation.

4. OTHER IMPLICATIONS

There are no financial, human rights or equalities implications arising from this report.

5. CONCLUSION

In order to keep the Committee informed of progress in respect of enforcement case matters an updated report will be prepared for each Development Standards Committee meeting.

08/00007	Strathmartine Hospital	08.01.2008	Deterioration in condition of listed building.	<p>The most recently fire-damaged building as well as the boiler house and the link buildings adjoining the main listed building have been demolished for safety reasons. The ground floor openings to the listed building, exposed by the demolition of the link buildings, have been built up with concrete blockwork.</p> <p>Council resolved to approve application 13/00268/EIAM (for the redevelopment of the hospital) at its meetings of 18 December 2014 and 12 February 2015. The application was subsequently called-in for determination by Scottish Ministers and on 17 September 2015 they issued a notification of intention to approve the application subject to conclusion of a Planning Obligation (Report No 395/15 refers).</p> <p>Ministers agreed to extend the period for concluding the Section 75 Planning Obligation for application 13/00268/EIAM until the end of September 2016.</p>	<p>The Planning Obligation has not been concluded within the period allowed by Scottish Ministers. It is understood that discussion is ongoing between the owner and NHS Tayside regarding the terms of a clawback – which was agreed at the time of the owners purchase from NHS Tayside and requires further financial payments to the former owner where triggers are met. Resolution of this matter between those parties is required in order to conclude the Section 75. Ministers have indicated that a further extension of time to allow conclusion of negotiations with NHS Tayside has been agreed. Ministers agreed a further three month extension from July 2017 to allow further work to be carried out on the drafting of the terms of the S75 and Ministers are currently considering a request for a further extension that has been made by the applicants.</p> <p>Building Standards continue to regularly visit the site to ensure the buildings remain boarded/ blocked up however the site continues to be targeted by vandals.</p>

16/00165	Land 125 Metres West of North Mains Croft Logie Kirriemuir	02.08.2016	The site has been cleared of vegetation and the ground levelled with a layer of rubble and crushed stone. 1 static and 1 touring caravan have been brought on to the site.	An Enforcement Notice was served on the landowner on 19 August 2016. The site owner submitted an appeal against the Enforcement Notice to the DPEA and submitted an application for retrospective Planning Permission (ref: 16/00738/FULL). The Reporter's decision on the Enforcement Notice was published on 23 November 2016. The Reporter allowed the appeal and corrected the terms of the notice to show that the earthen bund should be "levelled" rather than "removed" and varied the periods for compliance with the Notice to allow time for the current planning application to be determined and any appeal thereon to be decided (to remove the caravans from the site on or before 3 August 2017 and to complete the remaining steps on or before 3 September 2017).	The retrospective application for Planning Permission (ref: 16/00738/FULL) was refused on 06 January 2017. The applicant sought to review that decision and the Development Management Review Committee subsequently resolved to grant planning permission for the development at the meeting of 03 July 2017. A decision was issued following agreement of conditions at the following meeting of the DMRC (08 August 2017). The Enforcement Notice was withdrawn and a new Enforcement Notice was served on the landowner on 25 August 2017 for the part of the site detailed on the original Enforcement Notice that was not covered by planning application ref: 16/00738/FULL. The Notice required the removal of caravans, trailers and other items, the removal of a wooden fence and rubble and hardcore and levelling the earth bund within 3 months from the date of the Notice becoming effective, that date being 26 September 2017 unless an appeal was submitted before that date. The Enforcement Notice was appealed, and is effective. A site visit on 12 October 2017 confirmed that the landowner had commenced extensive excavation and exportation works to remove and level the earthen bund.

16/00165 (contd)	Land 125 Metres West of North Mains Croft Logie Kirriemuir				<p>As a result of new observations a site visit on 07 November 2017 established that further unauthorised development works were being undertaken on the area of land subject to the Enforcement Notice and on 09 November 2017 a Planning Contravention Notice was served on the landowner in order to gather information relative to this further development of the site with a view to potential further enforcement action being taken.</p> <p>It was established that two of the conditions of the approved Planning Permission (ref: 16/00738/FULL) had not been discharged within the specified time period. On 12 December 2017 a Breach of Condition Notice was served on the landowner requiring compliance with Conditions 1 and 2 of the Decision Notice issued on 21 August 2017. The landowner is required to comply with the two conditions by 13 February 2018.</p> <p>The response received from the landowner in relation to the Planning Contravention Notice indicated that an application for Planning Permission would be submitted for the unauthorised development of the area of land subject to the Enforcement Notice.</p> <p>On 12 December 2017 two part retrospective applications for Planning Permission Ref: 17/01017/FULL - Change of Use of Vacant Land to Form a Chalet / Caravan Pitch (Principal Chalet and One Touring Caravan), Formation of Hardstanding, Erection of 1.8m High Fences and Amenity Block (in part retrospect); and 17/01016/FULL - Change of Use of Vacant Land for Storage of 12 Vehicles, Erection of Fencing and Formation of Hardstanding (in part retrospect), were received. These applications are currently being considered by the Planning Service.</p>

17/00008	Former Hooks Hotel 3 Bank Street Kirriemuir DD8 4BE		There is demonstrable damage to the Category C Listed building caused by water ingress, defective roof membrane, missing / broken windows and inadequate ventilation.	An Urgent Works Notice has been served on the owner notifying Angus Council's intention to instruct the following works no sooner than 13 February 2017: 1. Insert a temporary rainwater disposal system and the front and rear of the building and repair and test drains. 2. Secure a temporary robust membrane to the roof until the roof is re-slatted. 3. Secure all openings at the building currently open to the elements. 4. Provide ventilation throughout the building to comply with the British Standard.	Contractors have undertaken the required works at the site and costs will be recovered from the owner. On 29 November 2017 an update was received from Scottish Government Planning and Environmental Appeals Division that an appeal against the serving of the Notice for Liability for Expenses (LBE0120-2001) for the site had been lodged on 01 November 2017. The Planning Authority response statement is being prepared and is due to be returned by 20 December 2017. Case Update 30 January 2018 - This case will be determined by Scottish Ministers on receipt of a report and recommendations by a Reporter. The appointed Reporter has now carried out an accompanied site inspection in relation to the appeal and is in the process of preparing his report. It is anticipated that this will be delivered to the Scottish Ministers in late February 2018. A verbal update will be given should the Reporter's decision be received in the interim.

17/00026	Field 45m SE of 1 Mount Pleasant Letham Mill St Vigeans Arbroath	30.05.2017	Alterations to ground levels and importation of waste material	Temporary Stop Notice served on 27 April 2017.	<p>Planning application (17/00161/FULL) was withdrawn due to flood risk issues raised by SEPA and the Local Flood Prevention Authority. The owner was written to and requested to remove the waste materials but has not complied with the request. An Enforcement Notice requiring the removal of the waste materials and the reinstatement of the land to the previous levels was served on the landowners on 29 August requiring the removal of the waste materials within three months from the date of the Notice taking effect, that date being 29 September 2017 unless an appeal was made against it beforehand.</p> <p>The owner of the site submitted an appeal against the Notice to the Directorate for Planning and Environmental Appeals (DPEA) and on 21 December 2017 the Reporter appointed by the Scottish Government dismissed the appeal. The developer has 3 months from the date of the Reporter's decision to comply with the Notice. Planning application 17/00860/FULL for the levelling of land (re-application) is subject of review to the DMRC against the non-determination of the application within the statutory timescale (deemed refusal) (received on 12 February 2018). A further update will be given once a decision on the request for review has been reached by the DMRC.</p>

16/00276	Muirloch	08.08.2017	Unauthorised operation of a biomass production facility at the site of a storage shed that is authorised for the storage of biomass.	A retrospective planning application (16/00987/FULL) has been submitted. A processing agreement was implemented in order to allow for the submission of various technical assessments including noise and air quality assessments. Following complaints that the site was still being operated in the interim a Temporary Stop Notice was served on 15 June 2017.	Planning application ref: 16/00987/FULL remains under consideration at this time and formal action has not been taken beyond the Temporary Stop Notice served on 15 June 2017 pending the outcome of the planning application. The outstanding objection to the planning application by National Grid has now been removed as of 23 February 2018 and the planning application will be presented to a later meeting of the Development Standards Committee for determination.
13/00195	Land at Gagie Filters Kellas	03.10.2017	Unauthorised works have been undertaken to the filter beds which are listed and the site is being used for the storage of various items without planning permission.	A Listed Building Enforcement Notice and an Enforcement Notice were served on the landowner on 30 January 2017 requiring the reinstatement of the filter beds and the removal of the various items from the site. An appeal against each Notice was submitted to the DPEA and on 19 July 2017 the Reporter dismissed each appeal and upheld the terms of the Notices with the date for compliance being three months from that date 19 September 2017. The appeal decisions were the subject of previous reports to Committee, ref 254/17 and 255/17.	On 21 September 2017 a site visit was carried out and it was noted that none of the actions required by the Notices had been carried out. Report 367/17 was submitted to the meeting of 21 November 2017 outlining potential courses of action available. Committee agreed the report and authorised further action as necessary. The owner advised that the required actions would be undertaken and a further site visit was undertaken on 12 February 2018 and a verbal update was provided to Committee on 13 February 2018 advising that the unauthorised structures attached to the listed filter bed had been removed, progress had been made with the removal of vehicles and detritus and other materials remained at the site. The owner indicated that the storage containers were to be removed imminently as were the other materials which were being sold and those not sold would be disposed of. A further site visit will be undertaken and a verbal update will be provided to Committee.
