ABSTRACT

This report provides information to members and a decision is not required in terms of the current Scheme of Delegation to Officers and the Order of Reference of Committees.

1. BACKGROUND

Angus Council, at a special meeting on 19 November 2013 took a number of decisions which changed the way the Council conducted its committee business. Fundamental to this was the streamlining of processes with a focus on key strategy and policy matters.

One element of this was the production of Information Reports". These information reports summarise information that would in the past have gone to a council committee for "noting".

The information schedules are in accordance with that principle.

2. SIGNIFICANT INFORMATION - SCHEDULES

The schedule contains a summary of current BREXIT information available and an assessment of the impact on Angus Council This is accessed via the Council's internet page. A copy has also been placed in the Information Hub.

Where there are references to other documents (eg: consultation documents/audit reports) that are associated with the relevant schedule a link to that document has also been included.
