A society's lottery means a lottery promoted on behalf of a society which is established and conducted wholly or mainly for one or more of the following purposes:-

- (a) charitable purposes;
- (b) participation in or support of athletic sports or games or cultural activities; and
- (c) purposes which are not described in paragraph (a) or (b) above, but are neither purposes of private gain nor purposes of any commercial undertaking.

A lottery is small if the total value of tickets put on sale in a single lottery is £20,000 or less and the aggregate value of the tickets put on sale in a calendar year is £250,000 or less. Where tickets for a single lottery exceed £20,000 or the aggregate value of tickets in a year exceeds £250,000 a lottery is a large society lottery and a licence will be required from the Gambling Commission.

Any purpose for which a society is established and conducted and which is calculated to benefit the society as a whole shall not be held to be a purpose of private gain by reason only that action in its fulfilment would result in benefit to any persons as an individual.

Conditions stating the requirements for a Small Society Lottery will be enclosed with your Registration once it has been granted.
