Introduction

The figures provided in this report are for the period: 1 October 2017 – 31 March 2018

Schedule of Reporting

The reporting year runs alongside the financial year April – March, and the reporting calendar is as follows:

Period 1	1 Apr – 30 Sep	Available Nov
Period 2	1 Oct – 31 Mar	Available May

Glossary of Terms

To assist in the interpretation of the data contained within this report, please find below a short glossary of terms.

If you require further clarification on any of the terminology used throughout the report, please contact Lynda Murray, Systems Administration Assistant on (01307) 476134 or email to <u>HRSYSADMIN@angus.gov.uk</u>

STAFFING RESOURCES

STAFF COSTS

Full Time Equivalent (FTE)

This figure is based on the total number of contracted hours paid during the period. For the purposes of calculating FTE figures, non-contractual hours including overtime, additional and casual (relief and supply) hours worked are not included. Separate FTE figures for these non-contractual hours are detailed within the Staffing Costs section of the report.

Headcount

The number of individual employees within the council. An employee with multiple jobs within the council is only counted once.

Overtime

Any hours worked over and above 37 hours per week, including Winter Maintenance overtime and Public Holiday overtime.

Additional Hours

Any hours worked between an employee's contractual hours and the full-time equivalent of 37 hours.

Enhancements

Allowances where premium hourly rates are payable i.e. weekend working and night working.

ABSENCE

Percentage of total calendar days lost due to sickness

Calculated by dividing the total number of calendar days lost due to sickness by the total number of calendar days available within the period.

Total calendar days available

Calculated by multiplying the number of jobholders (excluding casual i.e. relief and supply workers) by the total number of calendar days within the period. This figure excludes relief and supply.

Staffing Resources: Employee Headcount

Total headcount as at the end of Q4 2017/18: 4,434 (3779.2 FTE)

This is broken down by Service and Employee Group as follows:

1143.2 FTE +1.20% since last 6 month period

Staffing Resources: Employee Status

Council Overview

As the pie charts opposite demonstrates, over three quarters of the council's workforce is employed on a permanent basis, and this trend is also consistent at a service level.

By Service

The pie charts below show the breakdown of employees by status for each Service.

Absence

Trends: Total Working Days Lost

The chart below maps the total working days lost across the council as a whole for each quarter over the past year. As can be seen, the total days lost for the current period (Q3 & Q4 2017/18) has increased by 2835 working days (13 %**) since the previous period (Q1 & Q2 2017/18). This figure is also higher than the same period in the previous year by 517.5 working days (2.15%). ** This increase is due to the lower sickness figures in Q2. This is a result of the school summer holidays and the fact that there are less working /productive days and sick days for school-based staff. This is consistent with previous years.

Absence

Trends: Absence Duration

The chart below shows the breakdown of absences by duration across the council as a whole for each quarter over the past year. As can be seen, absences are primarily short term, with the majority lasting under 6 days. This has remained consistent across the past 5 quarters.
