1. BACKGROUND

Angus Council, at a special meeting on 19 November 2013 took a number of decisions which changed the way the Council conducted its committee business. Fundamental to this was the streamlining of processes with a focus on key strategy and policy matters.

One element of this was the production of Information Reports". These information reports summarise information that would in the past have gone to a council committee for "noting".

The information schedules are in accordance with that principle.
