

EQUALITY IMPACT ASSESSMENT

Project Ref: PL021 – Increase Recycling

What is the proposed budget saving? (Scope of Project from Change Programme).

It is proposed that a £10,000 saving is delivered in 2019/20 and further £10,000 saving in 20120/21 through increased recycling - recycling is a significantly cheaper waste disposal option than disposal as residual waste.

It is intended that the increase in recycling will be delivered primarily through implementation of communication campaigns and better performance of our existing kerbside recycling service.
