

EQUALITY IMPACT ASSESSMENT

Project Ref: PL025 – Decarbonising our Environment

What is the proposed budget saving? (Scope of Project from Change Programme).

We will look at energy efficiency using LEDs; Biomass; Electric Vehicles etc to reduce our carbon footprint

Screening Process

Does the proposed saving involve or have consequences for the people the council serves or employs?

Yes No

If yes, proceed to Step 1 of the Full Equality Impact Assessment on page 2.

If No, please state why not.

The changes will have no impact on our residents and little impact on our staff (i.e. use of electric pool cars rather than personal cars), and no impact in regard to equalities

If no, the budget saving is not relevant and no further action is required.
