

EQUALITY IMPACT ASSESSMENT

Project Ref: PL026 – Real Time Information (RTI) – Bus Service

What is the proposed budget saving? (Scope of Project from Change Programme).

By changing the current radio based system using aerials on bus stops and buses which connect to each other the council will use digital technology to transmit real time information at bus stops.

This is a 5 year contract 2019-2024 with a spend to save prior to and in the first year of the contract, Nil costs in year 2 and a substantial saving in later years.

The initial savings have been assessed at 2019/20 - £3k and 2020/21 - £27k.

Screening Process

Does the proposed saving involve or have consequences for the people the council serves or employs?

Yes No

If yes, proceed to Step 1 of the Full Equality Impact Assessment on page 2.

If No, please state why not.

The change to the Real Time System is the operating system, the displays seen by the public remains the same

If no, the budget saving is not relevant and no further action is required.
