08/00007	Strathmartine Hospital	08.01.2008	Deterioration in condition of listed building.	<p>Several fire damaged buildings at the site have been demolished for safety reasons. The ground floor openings to the listed building, exposed by the demolition of link buildings, have been built up with concrete blockwork.</p> <p>Council resolved to approve application 13/00268/EIAM (for the redevelopment of the hospital) at its meetings of 18 December 2014 and 12 February 2015. The application was subsequently called-in for determination by Scottish Ministers and on 17 September 2015 and they issued a notification of intention to approve the application subject to conclusion of a Planning Obligation (Report No 395/15 refers). As a result of a failure by the developer to enter into a Planning Obligation within timescales prescribed by the Scottish Government, Ministers have now issued planning permission in principle subject to conditions including a condition requiring a Planning Obligation to be entered into prior to the commencement of development. Notice was received that Ministers had issued planning permission on 25 April 2018.</p>	<p>Building Standards continue to regularly visit the site to ensure the buildings remain boarded/ blocked up however the site continues to be targeted by vandals.</p> <p>The case remains open at this time until progress is made in respect of the redevelopment of the site.</p> <p>Officers have contacted the owners planning agent to establish intentions and timescales for redevelopment of the site. Committee will be updated upon receipt of clarification.</p>
