

ANGUS COUNCIL

COMMUNITIES COMMITTEE - 28 MAY 2019

INFORMATION REPORT FOR THE PERIOD – 17 APRIL TO 28 MAY 2019

REPORT BY DIRECTOR OF COMMUNITIES

ABSTRACT

This Report provides information to members with regard to services in Infrastructure, albeit that a decision is not required in terms of the current Scheme of Delegation to Officers and the Order of Reference of Committees.

1. BACKGROUND

Angus Council, at a special meeting on 19 November 2013, took a number of decisions which changed the way the Council conducted its committee business. Fundamental to this was the streamlining of processes with a focus on key strategy and policy matters.

One element of this was the production of "Information Reports". These information reports summarise information that would in the past have gone to a council committee for "noting".

The information attached to this report is in accordance with that principle.

2. SIGNIFICANT INFORMATION - SCHEDULES

There are 2 schedules which contain key background information related to services delivered in Communities. These are accessed via the Council's internet page.

Where there are references to other documents (eg: consultation documents/audit reports) that are associated with the relevant schedule, a link to that document has also been included.
