1. Remembers the late Frank Kopel for the football inspiration that he was and for all the pleasure and enjoyment that he brought to others.

2. Acknowledges the work of Frank's wife Amanda Kopel who has tirelessly and selflessly fought and campaigned hard, dedicating her time to implement FRANKS LAW to ensure that individuals can access free Personal Care under the age of 65 years old in Scotland , ending age discrimination.

3. Asks all Members of Angus Council to congratulate Amanda and ask that she accepts a gift of appreciation from Angus Council.

4. Requests the Chief Executive:

writes to the First Minister on behalf of Angus Council asking that Scottish Government acknowledge Amanda Kopel's ground breaking achievements and ask that the First Minister ensures that all Local Authorities are consistent in their implementation to ensure fairness of access to free Personal Care for under 65's no matter where you live within Scotland.

(ii) General Waste Disposal Option

Councillor Boyd has submitted the following motion:

In the interests of Goodwill and Fairness to the Locality of South Angus, Angus Council reintroduces a general waste disposal option in either Carnoustie or Monifieth Recycling Centres and requests that the Director of Communities implement these changes as soon as is practicable.

Note: The financial implications of this motion will be issued to members as soon as possible.

(iii) Keeping the Pound

Councillor Davy has submitted the following motion:

This Council notes with concern potential plans to change the currency of Scotland away from the pound, and believes this would put the vital work of the Council at risk.

The Council notes it would be harder to budget and plan services, it would leave reserves that have been saved being converted into a new currency with potential risk, and it would add increased costs to work that is being done. It would further harm our connections with the rest of the UK and any business and sourcing links. The Council also notes that changing the currency could do untold damage to the local Angus economy.

This Council therefore believes that the best way to ensure we maintain frontline services, protect the Angus economy, and the most vulnerable, is by keeping the pound, and requests the Chief Executive to write to the First Minister, Nicola Sturgeon, to state Angus Council's belief that keeping the pound is the best financial decision for Angus.
