

Executive Summary

Monifieth Options Appraisal Survey – October 2018

Overall respondents: 684¹

- 1) 71.9% (491) of responses received were from parents/carers of children currently attending school in Angus.
- 2) All schools were represented in the survey responses. The largest number of responses came from individuals with a connection to Monifieth High School (190; 28%) and Birkhill Primary School (111; 16.4%)
- 3) Overall the most popular options were:
 - i) *Option 3*: Extend Monifieth High School and Mattocks Primary School, and refurbish Grange and Liff Primary Schools (Score = 3541)²
 - ii) *Option 5*: Create an all-through Community Campus, as Option 4 above, with additional community facilities (Score = 3327)
 - iii) *Option 6*: Work in partnership with Perth & Kinross and Dundee City Councils to create a joint integrated community campus, serving the South Angus area (Score = 3275)
- 4) If an all-through joint campus was developed with Dundee City and Perth & Kinross Councils our respondents told us that they would like the following elements included:
 - i) Nursery Facility (145; 22.6%)
 - ii) Primary age school (157; 24.5%)
 - iii) Secondary age school (304; 47.4%)
 - iv) Community facilities (257; 40.1%)
 - v) All of the above (362; 56.5%)
- 5) If an all-through campus was developed in partnership with Dundee City and Perth & Kinross Councils, and included primary and nursery provision, there was most support for including Auchterhouse (68.0%), Birkhill (70.5%) and Liff (73.0%)

¹ Not all questions were completed by all individuals. Percentages throughout are based on the actual number of responses.

² Scores are calculated by multiplying the number of responses by the weighted rank score. Ranks are weighted as follows: Rank 1 = 8; Rank 2 = 7; Rank 3 = 6; Rank 4 = 5; Rank 5 = 4; Rank 6 = 3; Rank 7 = 2; Rank 8 = 1
