

ANGUS HEALTH AND SOCIAL CARE

INTEGRATION JOINT BOARD AUDIT COMMITTEE – 28 AUGUST 2019

EXTERNAL REPORTS

REPORT BY ALEXANDER BERRY, CHIEF FINANCE OFFICER

ABSTRACT

The aim of this paper is to update the Audit Committee regarding external, often national, reports that are of interest to the Audit Committee.

1.0 RECOMMENDATION

It is recommended that the Integration Joint Board Audit Committee note the publication of the reports described in this paper.

2.0 BACKGROUND

2.1 On a regular basis reports are published by external bodies that are relevant and useful to Angus IJB. As part of the 2016/17 External Audit process, Audit Scotland particularly recommended that Angus IJB consider the relevant Audit Scotland reports on a regular basis. The principle associated with Audit Scotland reports should be extended to other relevant reports. This report to the Audit Committee highlights reports of relevance, but also notes specific issues or potential actions that could emanate from those reports.

2.2 This list of reports covers the period from late June 2019 to early August 2019.

There are no specific actions for the Audit Committee arising from the above reports, partly as some of these reports are more prospective (e.g. consultations) than would normally be listed here. However, these reports may be relevant to the future work of the IJB more generally. The IJB will review how it shares information about relevant national reports, including the examples above, with Audit Committee members and Board members more generally in future.

3.0 CONCLUSION

3.1 The Audit Committee is required to note the publications described.
