Recycling bin per uplift (charge for collection only)**

		Customer with general waste + recycling	Customer with no general waste
1280	£2.20	£2.10	£2.10
1100	£2.20	£1.90	£2.10
660	£2.20	£1.30	£2.10

240	£2.20	£0.80	£2.10
140	£2.20	£0.80	£2.10

\* Charges were previously applied in a two tier system i.e. a lower rate was charged for recycling bins where customers contracted for both general waste and recycling bins. Due to rising mixed recycling disposal costs it was considered that charges levied against any customer should reflect these costs, thus only one charging tier is proposed.

\*\*The Council is only permitted to recover the cost of collection (and not disposal) from certain premises, for example schools and hospitals.
