

ANGUS COUNCIL

COMMUNITIES COMMITTEE –25 FEBRUARY 2020

INFORMATION REPORT FOR THE PERIOD – 15 JANUARY TO 25 FEBRUARY 2020

REPORT BY DIRECTOR OF INFRASTRUCTURE

ABSTRACT

This Report provides information to members with regard to services in the Infrastructure Directorate, albeit that a decision is not required in terms of the current Scheme of Delegation to Officers and the Order of Reference of Committees.

1. BACKGROUND

- 1.1 Angus Council, at a special meeting on 19 November 2013, took a number of decisions which changed the way the Council conducted its committee business. Fundamental to this was the streamlining of processes with a focus on key strategy and policy matters.
- 1.2 One element of this was the production of “Information Reports”. These information reports summarise information that would in the past have gone to a council committee for “noting”.

The information attached to this report is in accordance with that principle.

2. SIGNIFICANT INFORMATION - SCHEDULES

- 2.1 There are 2 schedules which contain key background information related to services delivered for the above period. These are accessed via the Council's internet page.
- 2.2 Where there are references to other documents (e.g. consultation documents/audit reports) that are associated with the relevant schedule, a link to that document has also been included.
