Address of premises: BOWLERS BAR, WALKER PLACE, ARBROATH DD11 1UB

Application details: NEW PREMISES LICENCE

I want to lodge: an objection

Please give details of objection/representation: The hours to which liquor can be sold, & hours to which the premises can be open. I object to the Friday & Saturday Licensed hours applied for. The hours open till 01.00am on these days will (I believe) lead to more unpleasant activity that we have had in the past when the Bowlers Bar was open previously: eg: shouting in the street, police being called, vandalism on vehicles parked in local area, assaults, so I would hope that the opening hours on these days (Friday & Saturday) be limited to 12.00 midnight. Where I & others live is a residential area & since the Bowlers Bar has been closed it has been a lot more peaceful. As I believe the licence will be granted anyway (new owners have already been working inside) I can only object to the opening hours. The licensee HAS a duty of care to the residents in the local area (& their clients)

If you are making a representation and there are modifications which could be made to the Operating Plan or conditions which you feel could be imposed which would address your concerns, please provide details :
