The Committee agreed to hear Councillor Speed, who addressed the Committee during which she gave members an example of a constituent who had recently found it impossible to book a wheelchair accessible vehicle for attending his wife's funeral and eventually could only obtaining one from outside Angus at a considerable cost to him.

She reiterated her concerns that she felt that Angus residents with physical disabilities faced inequalities as they struggled to find suitable accessible vehicles that could accommodate them.

Much discussion took place and members noted the response from Ash Denham MSP, Minister for Community Safety which was attached as **Appendix 1** to the Report and that steps were being taken to advise taxi and private hire operators in Angus of the interest free loans available through the Energy Savings Trust and funded by Transport Scotland.

The Report indicated that a market engagement exercise had been undertaken with eight consultants who were asked if they would be able to assist the Council by assessing and advising on the extent and nature of unmet need for wheelchair accessible vehicles in Angus and to recommend measures to address assessed unmet need.

It was noted that two consultants had responded and details of their process were attached as Appendix 2 to the Report.

## 8. PUBLIC PROCESSION

There was submitted Report No 61/20 by the Director of Legal and Democratic Services asking the Committee to consider two written notices received in respect of proposed public processions under Section 62 of the Civic Government (Scotland) Act 1982.

Mr Mandeep Singh addressed the Committee on behalf of the Scottish Independence Movement and advised that the application, which had been submitted last year, proposed a 1pm start for marching on 4 April 2020. He confirmed that there would be adequate stewards and volunteers in place to deal with the 10,000 participants which he estimated would take part. He also advised that he wished his organisation to march first on 4 April 2020.

The Committee then heard from Mr Neil MacKay, on behalf of All Under One Banner who advised the Committee that he had also submitted his application last year and wished to commence marching at 12 noon on 4 April 2020. He advised that he also had adequate stewards and volunteers in place and estimated around 15,000 participants.

Members then asked questions of each applicant regarding the proposed routes and timings of each march.

Chief Inspector Gordon Fotheringham then addressed the Committee and spoke of the difficulties in policing two different marches along two different routes on the same day as diversions and a temporary traffic order required to be put in place to accommodate these marches. He went on to explain that he would prefer both marches to commence together and follow the same route. He also advised that Police Scotland would meet with stewards for a briefing beforehand to help avoid any conflicts between both organisations.

At this point, the Committee then adjourned to take legal advice and consider matters in private before resuming the meeting in public.

The Committee agreed:-

- (i) that orders in respect of both notices on the holding of the processions be approved with the following conditions for each notice;
- (ii) that both processions shall commence at 12 noon on Saturday 4 April 2020;
- (iii) that both processions be kept to the route stated below;  
*Inchcape Park, A 92 (Dundee Road, Ladyloan and Burnside Drive), East Grimsby, Ladybridge Street, High Street, Hamilton Green, footpath through the Abbey Arch, Abbey Street, West Abbey St, Hill Terrace, Hill Place, Hill Road, Kings Drive (within Victoria Park), Victoria Park (all in Arbroath).*
- (iv) that the procession must always keep moving except for emergency purposes;
- (v) that the organisers and marshals will assist Police Scotland in ensuring that regular and appropriate passage across the procession is allowed in accordance with instructions from Police Scotland;
- (vi) that no vehicles may be part of the procession; and
- (vii) that the above conditions were considered necessary for the following reasons:-
  - (a) to enable proper arrangements to be made for Police Scotland supervision, traffic management, road closures and other consequential requirements (and having regard to another procession taking place on the same day);
  - (b) to ensure the safety and security of the procession (and having regard to another procession taking place on the same day);
  - (c) to safeguard the interests of, and to minimise the risk to, members of the public who are not involved in the procession as well as continuing service to the wider community (and having regard to another procession taking place on the same day).

- (d) to minimise the likely effect of the holding of the procession in relation to public safety, public order, damage to property and disruption of the life of the community (and having regard to another procession taking place on the same day); and
- (e) to avoid the containment of risks arising from the procession (whether by itself or in combination with any other circumstances (including another procession taking place on the same day)) placing an excessive burden on the police.
