

## REQUEST FOR EXERCISE OF EMERGENCY POWERS BY THE CHIEF EXECUTIVE/DIRECTORS

Particularly during the Covid-19 pandemic, you may need to take action including spending money in ways you have not required to do before. It is very important that before you do this, you ensure that you have the requisite authority.

Initially you should check the Scheme of Delegation to Officers contained within [Standing Orders](#) and the [Financial Regulations](#) for authority. Failing which, the Chief Executive and the Directors have been granted additional powers to act in an emergency which may be used see [Interim Scheme of Delegation](#). If you need any assistance in determining which powers are relevant please contact Alison Watson, Service Leader - Legal ([WatsonA1@angus.gov.uk](mailto:WatsonA1@angus.gov.uk)).

If it proves necessary to use any of the emergency powers in the Interim Scheme of Delegation please complete the request form below and send it to the Chief Executive or the relevant Director. **Please note - the proposed action must not be taken until approval of the Chief Executive or the requisite Director is given.**
