4. MOTION IN TERMS OF STANDING ORDER 25 (1)

Cllr Bell has submitted the following motion:-

"This Council notes:

- the importance of mental health, wellbeing and resilience to us all, regardless of where we are on our journeys
- the content of the Healthcare Improvement Services Report 'Review of Adult Community Mental Health Service' published in July:
http://www.healthcareimprovementscotland.org/news_and_events/news/news_tayside_mental_health.aspx
- the new national COSLA-supported campaign to promote mental health, called United To Prevent Suicide, launched by the National Suicide Prevention Leadership Group:
<https://unitedtopreventsuicide.org.uk/?fbclid=IwAR0prCLZlt35vkTEekxu8O0r60qIC-4aU1Jv7tCOq29e62NDrjHFXrZHvNo>
- the additional impact of COVID19 on the mental health and wellbeing of our citizens and employees
- the value of the care and support provided to people across Angus during COVID19 across all sectors

This Council is asked to:

- recognise that our services should be designed on the principle that they are holistic and wrap around each individual and that one size does not fit all
- commit to destigmatise mental ill health and challenges that affect us all
- support and endorse the national campaign, 'United To Prevent Suicide' in all that we do, including training for staff
- support the Tayside Mental Health and Wellbeing Strategy Group and Change Programme by ensuring the development of a strong Angus strategy, engaging with people, patients and services across the partnerships – this will provide us the 'how we do this' road map
- acknowledge the importance of the work of the Listen, Learn, Change programme resulting from publication of the Strang Report
- monitor the additional impact of COVID19-related issues, particularly mental health, domestic abuse, hunger and poverty, on our communities
- ensure our joint services across partnerships, including the Angus Health and Social Care Partnership, the NHS, the third sector, Police Scotland, Scottish Fire and Rescue Service and independent service providers can adequately support people to thrive in their recovery. with a particular emphasis on prevention and early intervention in our communities
- note that the above measures will be taken forward within existing resources"
