

ANGUS COUNCIL

POLICY AND RESOURCES COMMITTEE – 8 DECEMBER 2020

INFORMATION REPORT FOR THE PERIOD APRIL 2019 TO MARCH 2020

REPORT BY IAN COCHRANE, DIRECTOR OF INFRASTRUCTURE

ABSTRACT

This report provides information to members with regard to services in the Infrastructure Directorate, albeit that a decision is not required in terms of the current Scheme of Delegation to Officers and the Order of Reference of Committees.

1. BACKGROUND

Angus Council, at a special meeting on 19 November 2013 took a number of decisions which changed the way the Council conducted its committee business. Fundamental to this was the streamlining of processes with a focus on key strategy and policy matters.

One element of this was the production of "Information Reports". These information reports summarise information that would in the past have gone to a council committee for "noting". The information schedules are in accordance with that principle.

2. SIGNIFICANT INFORMATION SCHEDULES

There are two schedules which contain key background information related to services delivered by the Infrastructure service for the period April 2019 to March 2020.

Where there are references to other documents (eg: consultation documents/audit reports) that are associated with the relevant schedule a link to that document has also been included.

3. REPORT AUTHOR

This report and associated schedules have been compiled by Gavin Balfour, Service Leader Assets who can be contacted by emailing Assets@angus.gov.uk.
