AGENDA ITEM NO 5(b)

REPORT NO 63/21

SPECIAL ANGUS COUNCIL

4 MARCH 2021

REVIEW OF CHARGES WITHIN THE INFRASTRUCTURE SERVICE

REPORT BY DIRECTOR OF INFRASTRUCTURE

ABSTRACT

This report sets out proposals for the charges to be levied by service areas in Infrastructure for the financial year 2021/22.

1. **RECOMMENDATIONS**

It is recommended that the Council:

- (i) Notes that this report has been prepared on the basis that the percentage increases for charges have, in the main, been applied at a rate of an average 3.0% rounded up where appropriate;
- (ii) Approves the pricing structures as contained within Appendix 1; and
- (iii) Agrees that the charges are effective from 1 April 2021, or the start of any seasonal operations.

2. ALIGNMENT TO THE COUNCIL PLAN/COMMUNITY PLAN

The proposal contributes to the following local outcomes contained within the Angus Council Plan and Community Plan:

ECONOMY

- An inclusive and sustainable economy
- Attractive employment opportunities

PLACE

- Safe, secure, vibrant and sustainable communities
- An enhanced, protected and enjoyed natural and built environment

3. BACKGROUND

- 3.1 The charges covered by this report are reviewed continuously by each business unit throughout the financial year. All amendments to charges are reported to Members on an annual basis as part of the budget setting process. The last annual review of charges was reported to Angus Council on 27 February 2020 (Report No. 76/20 refers).
- 3.2 The Communities Committee of 19 January 2021 (reference Item 3(2)) approved the agreed Biennial Schedule of Charges for Arbroath Harbour for financial years 2021/22 and 2022/23.
- 3.3 The review of charges for 2021/22 has been carried out as part of the budget setting process and the percentage increase, has been standardised across the council to the July 2020 RPI indicator - 3.0%, before accounting for VAT, where applicable. The charging structure attached at **Appendix 1**, has been prepared on the basis of this percentage increase, rounded up to the nearest 10p.

4. **PROPOSED CHARGES**

- 4.1 The proposals summarised in the table below would come into force on 1 April 2021 or at commencement of any seasonal operation.
- 4.2 The Administration announced their intention to suspend parking charges on 8 February 2021 until the end of the current council term in May 2022. No changes to the cost of off-street parking in Angus Council car parks are proposed for 2021/22.

5. FINANCIAL IMPLICATIONS

- 5.1 It is estimated that the increased charges for Roads & Transportation, as detailed in **Appendix 1**, will generate additional income of £3,000. Any suspension of parking charges approved will result in a reduced income and borrowing costs in the order of £378,000 for 2021/22 and would need to be taken into account in the budget setting process.
- **NOTE:** The background papers, as defined by Section 50D of the Local Government (Scotland) Act 1973 (other than any containing confidential or exempt information) which were relied on to any material extent in preparing the above report are:
