Planning Application No.: .....  
 (if applicable)

**APPLICATION TO FORM A NEW OR ALTER AN EXISTING VEHICLE CROSSING OVER A FOOTWAY OR VERGE OF A PUBLIC ROAD**

I apply for permission to form a new or alter an existing vehicle crossing over a footway or verge of a public road and agree on receiving the necessary consent to construct the crossing in accordance with the specification laid down by Angus Council.

I confirm that I have consulted the Angus Council (Planning) regarding any planning requirements relating to the proposed vehicle crossing and associated works within my garden ground.

I also confirm that I have consulted the Angus Council (Housing) regarding any permissions required to cross the land between my garden ground and the footway/verge of the public road.

I also agree to apply for a 'Consent to Execute Works in a Road' once permission to form or alter the crossing is granted, construction of which will not commence until Consent to Execute Works is granted.

A sketch plan showing the approximate position of the proposed access is shown on the reverse of this form.

*The information you have provided on this form will be used by Angus Council (the "data controller" for the purposes of the Data Protection Act 2018) in order to process your application to form a new or alter an existing vehicle crossing over a footway or verge of a public road. The information will be held securely by the Council and will be treated as confidential except where the law requires it to be disclosed.*
