**4. ROWANBANK COTTAGE, CRAIGTON, MONIKIE**

With reference to Article 4 of the minute of meeting of this Committee of 20 May 2021, there was re-submitted Report No 158/21 by the Director of Legal and Democratic Services detailing an application for a review of the decision taken by the planning authority in respect of the refusal of planning permission in principle for demolition of existing dwellinghouse and erection of seven dwellinghouses, application No. 20/00636/PPPL, at Rowanbank Cottage, Craigton, Monikie.

The Committee noted that an unaccompanied site visit had taken place on 16 June 2021. The Committee then confirmed that they had sufficient information to consider the review at this meeting.

The Committee agreed that the appeal be upheld and the application be granted planning permission in principle. Whilst noting that the proposed site was outwith but contiguous to the development boundary, the Committee agreed that there was a significant material consideration in terms of public interest, and could secure the installation of a safer route by way of a footpath from Camus Place towards the Primary School, which the Committee agreed be included as a condition of the development. The Committee were also of the view that the development would contribute positively to the amenity of the area and warranted approval of the application. It was therefore the view of the Committee that the proposal complied with the requirements of Policies DS1, DS3 and TC2 of the Angus Local Development Plan, subject to conditions being applied.

The Review was accordingly upheld and the application approved, subject to the appropriate conditions being submitted to a future meeting of this Committee for members' consideration.

The Committee noted that an unaccompanied site visit had taken place on 16 June 2021. The Committee then confirmed that they had sufficient information to consider the review at this meeting.

Having given careful consideration to the papers submitted by the appointed person and by the applicant, the Committee agreed that the decision to refuse the application was in accordance with the Council's Local Development Plan policy. The Service Leader's (Planning and Communities) decision, and reasons for refusal as detailed in the Report of Handling, were endorsed and accordingly the review dismissed.
