**REPORT BY CLERK TO THE BOARD**

**ABSTRACT**

The purpose of this report is to advise members of applications for minor variations to premises licences under the Licensing (Scotland) Act 2005 which have been granted by the Clerk in accordance with the Scheme of Delegation appended to the Boards Statement of Licensing Policy.

**1. RECOMMENDATION**

It is recommended that the Board note the applications for minor variations to premises licences granted under delegated authority as detailed in the attached **Appendix**.

**2. BACKGROUND**

Minor variations are defined in the Licensing (Scotland) Act 2005 as:-

- (a) any variation of the layout plan, if the variation does not result in any inconsistency with the operating plan;
- (b) where, under the operating plan contained in the licence, children or young persons are allowed entry to the premises, any variation reflecting any restriction or proposed restriction of the terms on which they are allowed entry to the premises;
- (c) any variation of the information contained in the licence relating to the premises manager (including a variation so as to substitute a new premises manager); and
- (d) any other variation of such description as may be prescribed.

Attached as an **Appendix** is a list of applications for minor variations to premises licences granted under delegated authority during the period 2 July 2021 to 25 August 2021.
