10.1. Local, retired businessman, Neil Stevenson, has sent a proposal to the Community Council. He is offering a £5,000 donation to the town of Kirriemuir. He is also offering to put murals on the gable ends of buildings around the town, similar to the Billy Connolly mural in Glasgow. The idea is to attract visitors to the town, arrange tours, encourage business, etc. Graham and Cllr Bell would like to help him to move this forward, identifying where the murals would be located and investigating the listed status of many of the town's buildings. It would help if the Community Council could show support for such projects.

11. Date of next Meeting: 30 September at 7.30 pm. A decision will be taken later on the venue as this will depend on the current lock-down situation.

Heather thanked everyone for attending the Zoom meeting.
