

# Sport & Physical Activity Directory

Kirriemuir, Blairgowrie and surrounding areas

# Contents

Directory Overview	3
Active Schools	4
Community Sport Hubs	5
Kirriemuir & surrounding area clubs	7
Blairstown & surrounding area clubs	15

**This directory was created by Active Schools Coordinators in the Kirriemuir Cluster in Angus and Blairgowrie Cluster in Perth & Kinross.** The aim of the directory is to promote the clubs within these areas or clubs that we work with who lie out with these areas. We wanted to make it as easy as possible for people to get in contact with clubs and not only encourage their children to become more active, but also encourage adults to be active as well and be a positive role model for the younger generation.

This is by no means all the clubs in these areas, but up to date at time of print. We will update (if required) on an annual basis online with a few hardcopy versions available in sports centres and schools. Should you be viewing online, there are several links throughout the directory that will take you to other sites to provide more detailed information or allow you to contact the relevant people directly.

All the clubs in this directory have acquired formal links with Active Schools or completed a club accreditation with Live Active Leisure ([Perth & Kinross Accredited Club Excellence Scheme - PACES](#)), ANGUSalive ([Angus Club Excellence - ACE](#)) or through the governing bodies they are associated with. This demonstrates they are a well-run and sustainable club. If your club or group is keen to be included in this directory, please contact [Magnus Moncrieff](#) (Kirriemuir Active Schools Coordinator) or [Caroline Lawrie](#) (Blairgowrie Active Schools Coordinator). Clubs & groups may be asked to provide basic documentation to evidence they are well run club, and comply with relevant governing body first aid, child protection and health & safety requirements.

The directory has been organised in two ways, firstly we have organised the clubs geographically and secondly alphabetically by sport. Clubs that are members of local Community Sports Hubs (Kirriemuir, Eastern Perthshire or another Community Sports Hub in Angus or Perth and Kinross) are listed first. This gives the readers the chance to search for specific sports. The contact numbers, websites, social media platforms and email addresses of the clubs are all clickable for quick online access..

Using simple images we have indicated whether there is a junior coaching programme available and whether the club is open for children and/or adult members. The images we will use are below:

Children

Adult

Junior Coaching

## Active Schools

**Active Schools** aims to provide more and higher quality opportunities to take part in sport and physical activity before school, during lunchtime & after school and develop effective pathways between schools and community sports clubs. For more information on Active Schools in each area go to:

As well as providing school-based opportunities for our pupils, we also work with a variety of volunteers, coaches and local community clubs. We aim to improve the leadership opportunities for young people, and work with clubs to ensure they can provide quality experiences for our children beyond the school environment.

Angus Active Schools and Perth & Kinross Active Schools work with our partner Community Sports Hub Managers in **ANGUSalive** and **Live Active** respectively.

## Community Sports Hubs

Community Sports Hubs bring together sport clubs and key local partners who want to develop and grow the sporting offering in the community. They focus on sustainable, community-led approaches that get clubs working together to develop a welcoming, safe and fun environments for sport.

There are several Community Sports Hubs across both authorities and there are hubs in the Kirriemuir and Blairgowrie clusters run by our partners ANGUSalive and Live Active's Community Sports Hub team.

### Kirriemuir Community Sports Hub

A community sport hub was set up in Kirriemuir in October 2015, after discussions between local clubs/groups, sports facility, Active Schools and Community Sport Hub development officer. The hub is now looking to re-engage with clubs and community groups on the back of what has been a tough year in 2020. The hub aims to work closely with each other, improving communications and raising the profile of each club, to help with recruiting and retaining members and volunteers and work towards making the community more active.

**For more information on the Community Sports Hubs in Kirriemuir and/or Angus please contact Scott Nicoll by email [scott.nicoll@angusalive.scot](mailto:scott.nicoll@angusalive.scot)**

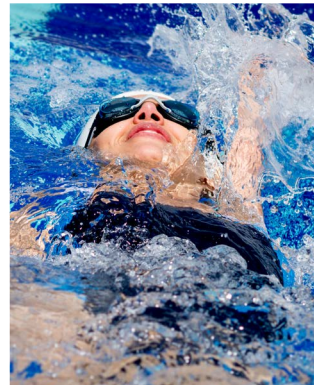

### Eastern Perthshire Community Sport Hub (EPCSH)

EPCSH is a recognised Community Sport Hub, a national Sport Scotland initiative. The EPCSH consists of local clubs and sporting organisations as well as representatives from community councils and development trusts, local Councillors and other interested individuals. EPCSH aims to increase the levels and accessibility of sport and physical activity across Eastern Perthshire. Examples of projects include: Fit Fun Families, Come and Try Day and Fitness Sessions for teens. The hub always welcomes new members and would love to hear from anyone interested in joining us.

**For more information on Eastern Perthshire Community Sport Hub please contact Hazel Donaldson by email [hazeldonaldson@liveactive.co.uk](mailto:hazeldonaldson@liveactive.co.uk)**
