Matters Arising

E.Walker Munro has supplied a description of the book and folder to C Alexander from the National Trust who has been in contact with their chief archivist. Unfortunately books and documents are not listed on their main database in the same way as artefacts so records are not easy to search. Apparently there is a miniature version of the book in the Gateway to the Glens museum

The application to the Participatory Budgeting for funding for flashing speed limit signs has not been accepted as apparently it did not meet their criteria. However the application for a dibfillator has been accepted and has been put forwarded for public voting.

Treasurer's Report

Things remain the same and C.Jackson is still trying to get internet banking.

Police Report

There is nothing in the Police report pertaining to rural areas. Apparently the Police are no longer allowed to attend Community Council meetings.

Planning

There is one new applications pertaining to our area.

To erect a garage to the rear of the property Mansfield House, Kinnettles, Forfar Mr Alex Mutch

Correspondence

R.Dick is to contact W.Scott with regards to the possibility of speed limits being enforced on the Glen Ogilvy road as the residents have expressed an interest in the area becoming a walking and cycling friendly area. Apparently since COVID traffic has increased in the area. R.Proctor is also getting involved.

The Community shop is to close at the end of the month. Their thanks go to all the people who have supported the venture and especially to the volunteers who manned the shop. An issue was raised with regards to the absence of council minutes on the notice board which was due to not being able to access the notice board. However it was pointed out that if the minutes are not on the notice board they can still be accessed as all the minutes are kept in a folder in the shop.

A request has been received for the War Memorial to be illuminated from the 26th October for the centenary of the British Legion. R.Dick to contact M.Kinmond about the feasibility of this.

Mobile library services are re-starting and will be in Glamis on Tuesdays

The Community Council has received a quote for a swing suitable for disabled children for the play park. Unfortunately these type of swings are rather expensive.

Councillors Report

A special Angus Council meeting is to be held next week to discuss a single tier health and social care.

A meeting for all Provosts is being held in Edinburgh.

R.Proctor informed the Council that Kirriemuir Rotary has a clothing bank and are in the process of trying to get the clothes donated distributed.

A.O.C.B

Our condolences go to Teresa Gregor on the death of her husband. Teresa had been on the Community Council for a number of years. It was agreed that the council would send her flowers in November as it was thought it may be appreciated more then.

E.Walker Munro is to contact R.Finlay with regards to the possibility of getting a loud speaker for the Remembrance gathering at the war memorial on Remembrance Sunday. K.Gourlay has agreed to play the Last Post and E.Walker Munro is to liaise with the school with regards to the reading of names on the day.

Platinum Jubilee

R.Dick has been approached by various people wishing to hold an event in the village to celebrate this occasion. It was suggested a plea be issued looking for volunteers to organise such an event before deciding what sort of event to hold. It was also suggested that a box be put out for suggestions as to what kind of event the village wanted to do.

J.Johnston to contact W.Inglis with regards to the possibility of getting the village tidied prior to such an event being held.

Although there is no Council run event there is an organised event being held in Montrose on the 28th May 2022 and a suggestion was made that Glamis take a table at this event to highlight Glamis and surrounding area.

The Christams light switch on will take place on 28th November at which the Scouts have agreed to provide/serve hot dogs and Forfar Instrumental band will play.

Next meeting is 15/11/2021 and will be held in the Coffee Shop at 7.30pm.
