

**Meeting of Angus Council 24 June 2021**

**Item 12 Report 214/21 Common Good Funds Revenue Budget 2021/22 and Provisional Budgets 2022/23 to 2025/26**

**Addendum**

Report 214/21 advises members on the commitments made to date for the five Burgh's Common Good Funds and the potential future calls on the funds for asset maintenance.

Since drafting the report, it has been noted that for two funds, Arbroath and Brechin, some projects which had been committed were also recorded as a future call on the fund.

This duplication has now been corrected and members are asked to replace Appendix 1 and 2 in the papers with the attached amended sheets; and note that paragraph 4.11 in the report should also be deleted
