

ANGUS COUNCIL

**POLICY & RESOURCES COMMITTEE– 1 FEBRUARY 2022
COMMUNITIES COMMITTEE- 22 FEBRUARY 2022**

SITE OF OLD FORFAR ACADEMY, TAYLOR STREET, FORFAR

REPORT BY IAN COCHRANE, DIRECTOR OF INFRASTRUCTURE

ABSTRACT

This report seeks approval to appropriate the site of the old Forfar Academy at Taylor Street, Forfar to the Housing Revenue Account (HRA) for the delivery of affordable housing.

1. RECOMMENDATION

1.1 It is recommended that the Committee:

- (i) Approve the appropriation of this site from the General Fund to the Housing Revenue Account (HRA) for the delivery of affordable housing.

2. ALIGNMENT TO THE COUNCIL PLAN

2.1 This report contributes to the following local outcomes contained within the Angus Community Plan 2017-2030

- Angus is a good place to live in, work in and visit
- Safe, secure, vibrant and sustainable communities
- Improved physical, mental and emotional health and well-being

3. BACKGROUND

3.1 Reference is made to Report 254/13, approved by the Education Committee at its meeting of 18 April 2013, which provided consultation feedback and sought procurement authority for the Forfar Community Campus Project.

3.2 Reference is also made to Report 262/14, approved by the Policy and Resources Committee at its meeting on 10 June 2014, which declared the land at Forfar Academy surplus to requirements and approved the ring fencing of the capital receipt from the sale of said land.

3.3 Reference is made to Committee Report 128/18, approved by the Children and Learning Committee on 19 April 2018, which provided Committee with details of local plans to implement the Scottish Government's commitment to expand the provision of Early Learning & Childcare (ELC) which included the building of a new ELC centre on part of the site at Taylor Street.

3.4 Construction of the new-build ELC centre in Forfar began in October 2019 and opened to children in January 2021.

3.5 The Council's Housing Service has expressed an interest in the remainder of the site and this report recommends that the site be appropriated to the HRA for the provision of affordable housing.

4. CURRENT POSITION

- 4.1 In accordance with the council's Financial Regulations, as the site has been declared surplus, it can be considered for appropriation to the HRA to form part of the Council's affordable housing programme. Appropriation would result in a capital receipt to the General Fund.
- 4.2 The acquisition of the site would provide the HRA with a good opportunity to provide much needed affordable housing in Forfar. The site is circa 18,8000 square metres and is a cleared site.
- 4.3 Under this option the Council's General Fund would benefit from a £736,000 capital receipt (full market value for the site), as well as revenue savings from releasing maintenance liabilities to the HRA.
- 4.4 The Housing team, in collaboration with Infrastructure, Assets officers, have undertaken a viability study and identified the potential for up to 48 units on the site with a focus on affordable home ownership options.
- 4.5 Housing have reviewed this as a new affordable housing project against its prioritisation framework and have assessed this as a suitable project to be delivered through the Strategic Housing Investment Plan in Angus.
- 4.6 The alternative options considered to be available to the Council for the property are set out in **Appendix 2**
- 4.7 The Council's appropriation policy, set out in Report 509/13, requires an appraisal to ensure compliance with the Scottish Government's guidance on the Disposal of Land by Local Authorities (Scotland) Regulations 2010. The appraisal criteria for consideration are set out in **Appendix 3.**

5. PROPOSALS

- 5.1 It is recommended that the site of the old Forfar Academy at Taylor Street, Forfar be appropriated to the HRA for the provision of affordable housing.

6. FINANCIAL IMPLICATIONS

- 6.1 The Forfar Community Campus Project (report 254/13) identified a capital receipt of £900,000 from the sale of the whole of the surplus site at Taylor Street as part of the project's budget.
- 6.2 Following the reduction in the area of the surplus site by the utilisation of part for the Forfar ELC centre the amount to be ring fenced was reduced to £736,000
- 6.3 The appropriation of the site to the HRA will generate the required £736,000 capital receipt.

7. EQUALITY IMPACT ASSESSMENT

An Equality Impact Assessment is appended below.

NOTE: The background papers, as defined by Section 50D of the Local Government (Scotland) Act 1973 (other than any containing confidential or exempt information) which were relied on to any material extent in preparing the above report are:
