	<p>Please insert remarks here:</p> <p><i>“Not all pupils who walk, cycle or wheel show any road sense. Earlier problems with inconsiderate parking were solved by laying of double yellow lines, urge not to remove these at end of the trial, people are parking on Arbirlot Road West earlier than the exclusion times, free parking on Timbergreens will not be helpful”</i></p> <p><i>“Can’t see the lights flashing on approach. Parents and pupils now walk up the middle of the road which is a hazard for residents coming and going out of their drives. Cars cause pollution on Arbirlot Road West waiting for their kids so the pollution is no better as the kids need to walk past. Total waste of time and money”</i></p>
