Secretary explained the virtual meetings to be held with the external consultant and local authority officers, saying she will engage with these and encouraged any other members to also take part when possible.

The secretary is keen for help with identifying equipment suitable for normalizing holding “hybrid” meetings in the future, with the hope this may encourage interested people to come forward who have difficulty attending meetings.

2. AOCB

- Santa collection again distributed “kindness” gifts around the village, double the number from last year
- The light switch on was extremely well attended but sadly the Christmas Eve event again had to be cancelled.

- Lack of follow up of a complaint re bridge difficulties and flood risk pointed out to local councillors

Proposed date of Next Meeting

Monday February 21st 2022, 7.30
