Treasurers Report

Gordon provided a report on the annual accounts. They reveal that the council had a surplus of funds this year of £380-02 to bring available funds up to £6568-61. However Gordon asks everyone to remember that of the funds £700 is to be used for IT upgrade and £4682-00 are ringfenced for Seagreen approved projects.

This means that for normal activities there are available funds of £1186.61
